Reviewer’s report

Title: Acute appendicitis: A case report of an unusual foreign body

Version: 0 Date: 01 Mar 2016

Reviewer: M Bertozzi

Reviewer's report:
	his is an interesting manuscript for the rare case reported.

A brief review of literature shoul be reported in discussion to increase the value of the manuscript

This review shold be performed including cases where foreign bodies caused appendicitis as well as asymptomatic cases. this review can underline that the case reported is very rare. From the reported picture it is not so clear the inflammation condition of the appendix. Can the authors include the histopathological result???

Level of interest
Please indicate how interesting you found the manuscript:

An article of importance in its field

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.
