Reviewer’s report

Title: Inherited thrombotic thrombocytopenic purpura mimicking Immune Thrombocytopenic Purpura: a case report during pregnancy

Version: 1 Date: 23 Nov 2017

Reviewer: Ahmet Emre Eskazan

Reviewer's report:

I have reviewed the revised version of the manuscript. The authors responded well to most of my comments/suggestions, however;

1) There are still some typos and misused abbreviations, which need to rechecked and corrected.

2) In figures 1&3, the so-called "red arrows" are actually "orange" in colour.

3) The abstract submitted to the system needs some corrections.

Level of interest
Please indicate how interesting you found the manuscript:

An article whose findings are important to those with closely related research interests

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published
Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

None.
