Reviewer’s report

Title: Undifferentiated epithelioid sarcoma presenting as a fever of unknown origin: A case report

Version: 0 Date: 05 Sep 2018

Reviewer: aisha alosail

Reviewer's report:

Thanks a lot for allowing me to review this interesting case report

It was well reported. I have only 2 comments:

1. Page 3 line 14-17 (This diagnosis is not only rare in terms of sarcoma incidence rates, but also because of its unusual systemic presentation.) please add your reference.

2. Page 5 in case presentation please write the ethnics of the patient

Good luck
