Reviewer’s report

Title: Metachronous extraskeletal (soft tissue) epithelioid osteogenic sarcoma: A rare case report

Version: 0 Date: 02 Mar 2019

Reviewer: Shenxing Du

Reviewer's report:

This manuscript clearly shows a case about metachronous extraskeletal epithelioid osteogenic sarcoma. However, it is best to add what medications the patient is taking for chemotherapy.

Also, the authors should not use acronyms that were shown at the first time in the text. (PET, CECT, AP, H&E, IHC, CK, EMA, SMA, LCA, CD)

There are two misspelled words in this manuscript. (i.e. immunohistochemistry, haemorrhage)

Level of interest
Please indicate how interesting you found the manuscript:

An article of importance in its field

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published
Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.
