Reviewer’s report

Title: Hemoperitoneum due to Bleeding from a Vein Overlying a Subserous Uterine Myoma: A Case Report

Version: 1 Date: 14 Feb 2020

Reviewer: Thomas Obinchemti EGBE

Reviewer's report:

1. Do you believe the case report is authentic?
   Yes

2. Do you have any ethical concerns? Please consider if local Institutional Review Board approval or ethical approval was obtained (if appropriate) and if the patient (or their parent or guardian in the case of children under 18) gave written, informed consent to publish this case and any accompanying images. A statement to this effect should appear in the manuscript.
   Comments: That has been done

3. Does the Introduction explain the relevance of the case to the medical literature?
   Yes

4. Does the article report the following information? Where information is missing, please specify.
   a. The relevant patient information, including:
      - De-identified demographic information (age, gender, ethnicity)
      - Main symptoms of the patient
      - Medical, family and psychosocial history
      - Relevant past interventions and their outcomes
      Yes
   b. The relevant physical examination findings _Yes
c. Important dates and times in this case (if appropriate, organized as a timeline via a figure or table); if specific dates could lead to patient identification, consider including time relevant to initial presentation, i.e. initial presentation at $T = 0$, follow up at $T = 1$ month. - Not applicable

d. Diagnostic assessments, including:

- Diagnostic methods _Yes

- Challenges (e.g., financial, language/cultural)-N/A

- Reasoning and prognostic characteristics (e.g., staging), where applicable

e. Types and mechanism of intervention

f. A summary of the clinical course of all follow-up visits

Comments:
The necessary information has been given

5. Is the interpretation (discussion and conclusion) well balanced and supported by the case presented?

Comments: Yes

6. Is the anonymity of the patient protected? Please consider any identifying information in images such as facial features or nametags, whether the patient is named etc. If not, please detail below.

Yes

7. Is the Abstract representative of the case presented?
Comments:
Yes

8. Does the case represent a useful contribution to the medical literature?
Comments:
Yes

9. Additional comments for the author(s)
Page 3; line 52: I would advise that you state the systolic blood pressure 80 mmHg and mention that the diastolic blood pressure was undetectable
Page 3; line 36-37: Did you mean 95 x 65 mm at ultrasonography? and not 95 x 65 cm and 10 x 15 cm or 100 x 150 mm at laparoscopy
The lines mentioned in the answers to reviewers comments are absent in the manuscript
: Pages 3, 4, 5
Declaration section should be according to journal style

Level of interest
Please indicate how interesting you found the manuscript:
An article whose findings are important to those with closely related research interests

Quality of written English
Please indicate the quality of language in the manuscript:
Acceptable

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

'I declare that I have no competing interests'
