Reviewer’s report

Title: Social Relationships and Cognitive Functioning in Healthy Older Adults: A Systematic Review

Version: 1 Date: 09 Oct 2017

Reviewer: Lindsay Kobayashi

Reviewer’s report:

This manuscript has greatly improved upon revision, and the specific exposure and outcome measures are now much more clearly defined.

I would recommend a more specific title - since the exposure variables are specifically social activities, social networks, and social support, the title should reflect this and it would help with indexing/retrieval of this article to be more specific about the title.

I have still found several typos/grammar errors throughout (e.g. incorrect use of plurals, inappropriate apostrophes) and recommend further proof reading.
