Reviewer’s report

Title: The impact of musculoskeletal injuries sustained in road traffic crashes on work-related outcomes: protocol for a systematic review.

Version: 1 Date: 22 Oct 2018

Reviewer: Narothama Aeddula

Reviewer's report:

I have reviewed the original submission.

The authors have changed the manuscript significantly and have done an excellent job. They have addressed all the my and other reviewers suggestions.

One minor point for the authors is,

-In page 3, line 53-54. The protocol submitted to PROSPERO, and they have a registration number which the authors mention in the paper on page 7 line 147.

Not sure why the authors wrote, 'A registration number has not yet been allocated. The registration number will be included in the final manuscript' in abstract and on page 3.

Level of interest
Please indicate how interesting you found the manuscript:

An article of importance in its field that should be highlighted to relevant networks

Quality of written English
