Title: Association between subthreshold depression and self-care behaviours in people with type 2 diabetes: a systematic review of observational studies

Version: 0 Date: 23 Jan 2020

Reviewer: Angel Romero-Collado

Reviewer's report:

Thank you for your submission and for the opportunity to comment on it. Although the study is limited in terms of results but it launches the challenge to the community for new lines of research that can improve the care of diabetic patients.

Check your keywords, not all are in MeSH terms (only 2).
