Reviewer’s report

Title: Protocol for the development of guidance for stakeholder engagement in health guideline development and implementation

Version: 0 Date: 21 Sep 2019

Reviewer: Doreen Kahangire

Reviewer's report:

Valuable piece of research which can be extrapolated across clinical and geographical settings to support guideline/guidance development. Also, the protocol is well written and contains great detail to guide a sound critical appraisal.

Level of interest
Please indicate how interesting you found the manuscript:

An article of importance in its field that should be highlighted to relevant networks

Quality of written English
Please indicate the quality of language in the manuscript:
