Reviewer’s report

Title: Prevalence and associated factors of anemia among adolescent girls attending high schools in Dembia District, Northwest Ethiopia, 2017

Version: 0 Date: 29 Aug 2018

Reviewer: G. Aaron

Reviewer's report:

Page 3 Line 18 - There are nutritional and non nutritional causes of anemia

Page 3 Line 40 - suggest adding kassebaum 2016 reference

Page 4 Line 4-6 - sentence is not complete

General comments:

Seasonality can influence anemia prevalence. Suggest including this in the discussion

External validity of findings for other contexts in Ethiopia. What can be said based on the geography, SES, etc relative to other settings in country?

Level of interest
Please indicate how interesting you found the manuscript:

An article whose findings are important to those with closely related research interests

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.
