Reviewer’s report

Title: Challenges and Opportunities towards the road of Universal Health Coverage (UHC) in Nepal: a systematic review

Version: 1 Date: 11 Dec 2018

Reviewer: Fabrice Jotterand

Reviewer's report:

This revised version of the paper is much better but it still needs some more work in three areas before acceptance:

1) Another round of careful editing is necessary to polish the manuscript - still few rough spots.

2) The Discussion section could be expanded more fully using Tables 1, 2, 3

3) Tables 1,2,3 should be more fully integrated in the body of the article which would lead to less text in the table and a more robust analysis.
