Reviewer’s report

Title: Waist height ratio predicts chronic kidney disease: A systematic review and meta-analysis

Version: 0 Date: 26 Aug 2019

Reviewer: Abate Belachew

Reviewer's report:

General comments

The topic studied is timely and can contribute for the scholars and the field greatly. Otherwise, I recommend the authors to revise the presentation style for PR with respective 95%CI. The tables' presentation might need revision particularly the p-value columns can be replaced by *.

Major comments:

Discussion:

The strengths should be methodological but yours seems significance of the study. It has to be revised.

Conclusion section:

It is recommended to include the practical implications of your finding and recommendation rather than listing factors

Minor comments

Abstract:

* Conclusion sub-section: it is better to include key recommendation to relevant respective personnel's/organization.

Line 275: please check whether the written abbreviation is correctly written or not. Avoid unnecessary semicolon there in the whole section of abbreviation.

Level of interest

Please indicate how interesting you found the manuscript:
An article of importance in its field

**Quality of written English**
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

**Declaration of competing interests**
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
