Reviewer’s report

Title: Exploring the reliability and acceptability of cognitive tests for Indigenous Australians: A Pilot Study

Version: 2 Date: 02 Jul 2017

Reviewer: Haruo Fujino

Reviewer's report:

I appreciate the authors' replies to the reviewers' comments. I have one minor recommendation:

"Interruptions and distractions" (P20) section does not include any qualitative data from participants. This section should be placed before "Acceptability Interview Results" section.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
