Title: TOO MUCH TIME? TIME USE AND FERTILITY-SPECIFIC QUALITY OF LIFE AMONG MEN AND WOMEN SEEKING SPECIALTY CARE FOR INFERTILITY

Version: 1 Date: 06 May 2019

Reviewer: Alessandra Babore

Reviewer's report:

The authors have been responsive to the comments, and have greatly improved the manuscript.

However, in my previous review I noticed that reliability values of all the questionnaires were missing. It was not probably clear that I referred to the reliability values of their research and not to previous literature. I think it is important to evaluate if the tools they used confirmed to be reliable also in the current study.

In addition, please check the sentence on page 14, lines 45-51.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.
