Reviewer’s report

Title: German Version of the Death Attitudes Profile- Revised (DAP-GR) – Translation and validation of a multidimensional measurement of attitudes towards death

Version: 0 Date: 07 Nov 2018

Reviewer: Lucia Ronconi

Reviewer's report:

page 4
Include more detail about participants description, for example range of age with mean and SD, how many males and females and all responses for variables considered in analysis cited on page 8 (educational status, educational background and prior experience with death).

page 5
It is not clear the sentence "with random polarity patterns (..)". Are there item with reverse score? Please indicate them in the description of each dimension.

pages 6-7
How many participants of consensus panel? Please indicate the number and include a brief description of them.

page 8
maximum likelihood estimation method used for confirmatory factor analysis required normal distributed variables, have you check it?

page 8 row 178
cut off value for SRMR is .08 and not .8
Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.
Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.
Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.
Unable to assess

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
I recommend additional statistical review

Quality of written English
Please indicate the quality of language in the manuscript:
Acceptable

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?
4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?
5. Do you have any other financial competing interests?
6. Do you have any non-financial competing interests in relation to this paper?
If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
