Title: Near fatal Intoxication by Nicotine and Propylene Glycol Injection: A Case Report of an ELiquid Poisoning

Version: 1 Date: 25 Jan 2019

Reviewer: Kathleen Job

Reviewer's report:

I believe that changes the authors made significantly improved the manuscript and that is acceptable for publication after two minor additions.

Page 4 line 78 should include a reference after "increase worldwide" or the subsequent sentence should mention reported numbers before 2012.

Page 4 line 80 should perhaps be changed to read "While the majority..." instead of "If the majority...".
