Reviewer’s report

Version: 2 Date: 27 Aug 2018

Reviewer: Franco Pattarino

Reviewer’s report:

Some further corrections can be proposed in order to improve the quality of the paper:

It would be better to use words like "nominal drug loading", "nominal drug dose" and similars instead of "concentration": see Raw 34, Raw 77, Raw 120, Table 1, Table 3, Table 4, Raw 153, Table 5, Raw 162, Raw 177.

Raw 107-108

Please revise the period.

Raw 185-187

"A relatively high prevalence of poor quality of albendazole was also reported a separate study by Suleman et al. [21] in Ethiopia" has to be modified in "A relatively high prevalence of poor quality of albendazole was also reported in a separate study by Suleman et al. [21] in Ethiopia".

Table 3 and 5:

Please insert/delete digits in columns "Weight" and "RSD" (Table 3) and "Assay" (Table 5), in order to have the same number of digits for values and statistics.

Table 5:

last column ("Content") could be deleted

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.
Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

Quality of written English
Please indicate the quality of language in the manuscript:

Acceptable

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests.
