Reviewer's report:

The authors have provided good responses with adequate references to reviewers' comments. A minor point I would like the authors to improve the manuscript by adding the following information.

1) Please include the placeholders of supplementary materials Fig. S11-S19 in the context. They could also be in the discussion section. This would help lead the readers to the Funnel plot as stated in the method section.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
