Reviewer’s report

Title: Adolescents and health-related behaviour: using a framework to develop interventions to support positive behaviours

Version: 0 Date: 13 Feb 2018

Reviewer: Jaswandi Pitale

Reviewer’s report:

The methodology implemented in this article can be used for a wide range of studies, however this article is too long.

1) There is lot of redundant information in the text and the tables. Some of the tables can be omitted.

2) What are the limitations of this method?

Level of interest
Please indicate how interesting you found the manuscript:

An article of importance in its field

Quality of written English
Please indicate the quality of language in the manuscript:
