Reviewer's report

Title: Evaluation of clinical quality improvement interventions: Feasibility of an integrated approach

Version: 0 Date: 07 Aug 2018

Reviewer: Natasha Noble

Reviewer's report:

Thank you for opportunity to review this manuscript. It is very clear and well written. I have only a few very minor suggestions for the authors:

Background:

Page 3 Line 23: Combined is misspelt

Page 4 Line 1 Change gaps to gap; Line 25: Change 'achieving guidelines…' to 'achieving use of guidelines'

Design:

Can the authors add the % of Aboriginal and Torres Strait Islander patients and patients from CALD backgrounds?

Overall comments:

The role of the GPs and other practice staff in the intervention is not clear. Can the authors add a little more detail, especially for GP involvement, as GPs will play the key role in implementing the change.
