Reviewer’s report

Title: A patient and public involvement (PPI) toolkit for meaningful and flexible involvement in clinical trials - a work in progress

Version: 1  Date: 15 Feb 2016

Reviewer: Roger Wilson

Reviewer's report:

This version of the manuscript addresses the reviewer comments from the earlier version. It describes a process at a particular point in time, and a very useful point for people following a similar course. It invites involvement from others and sets up a baseline for a very useful and potentially very valuable collaboration with others. I will follow this story with great interest,

Level of interest
Please indicate how interesting you found the manuscript:

An article of importance in its field

Quality of written English
