Reviewer’s report

Title: A Lung Cancer Research Agenda that Reflects the Diverse Perspectives of Community Stakeholders: Process and Outcomes of the SEED Method

Version: 1  Date: 13 Oct 2018

Reviewer: Michael Osborne

Reviewer's report:

This is a well written open and comprehensive description of your research. It is important that other researchers know about and use this method. I could not find any typographical errors which is good and unusual.

Level of interest
Please indicate how interesting you found the manuscript:

An article of importance in its field

Quality of written English
Please indicate the quality of language in the manuscript:

Acceptable

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?
If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that that I have no competing interests
