Reviewer’s report

Title: Supported and valued? A survey of Early Career Researchers’ experiences and perceptions of youth and adult involvement in mental health, self-harm and suicide research

Version: 0 Date: 21 Nov 2018

Reviewer: Michael Osborne

Reviewer's report:

This is good work and I am sorry that I do not think it is of much interest to the readers. You have excellent research and fine methods. My response is the feeling that most older researchers know of similar struggles when they were young in all research fields and organisations. It is also well known of the perceived barriers to involve young persons in research studies. Therefore I believe that you have not found anything unexpected or new in your research.

Level of interest
Please indicate how interesting you found the manuscript:

An article of limited interest

Quality of written English

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?
If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests.
