Reviewer’s report

Title: Co-producing a shared understanding and definition of empowerment with people with dementia

Version: 2 Date: 09 Apr 2019

Reviewer: Andrew Entwistle

Reviewer's report:

I have read the revised manuscript. I still have doubts about some points – particularly about interpretation of 'top down' and power relationships.

However I now think the revised document has sufficient interest, relevance and detail to recommend publication.

I attach the revised document with some trackchange responses to the authors.
