Main Comments

1. I suggest the authors must use the COREQ Checklist or any other checklist (the Journal subscribes to) to improve the manuscript.

2. Kindly include in the manuscript the breakdown of the respondents. How many are service use?, how many are care providers? etc.

3. Kindly provide in the manuscript the reason for the about 56% non-response. Was it a sampling issue?

4. Is it possible to show who the quotations used in the manuscript are attributed to?

5. Considering the nature of the approach of the evaluation, is it possible to provide the educational background of the respondents.
