Title: Parenting Science Gang: radical co-creation of research projects led by parents of young children

Version: 0 Date: 08 Dec 2019

Reviewer: Kerstin Morrison

Reviewer's report:

1. As a patient reviewer I would first of all like to congratulate the authors on the project and on the paper. It's exceptional, unique and indeed radical. Thank you. 2. Plain English summary is very good indeed. 3. Line 110/111 - "increased mobilisation", not clear what that is. Also other reasons, such as cuts in services were not mentioned. Perhaps leave this information out all together. 4. Line 158 refers to digital literacy - this does not get addressed anywhere, as in how this was improved for the participants.
