Reviewer’s report

Title: Registration of randomized controlled trials in nursing journals

Version: 1 Date: 30 Mar 2017

Reviewer: Julia Rucklidge

Reviewer's report:

I am happy with the revised version. I would take out the sentence on page 10 "we acknowledge however this is likely to be an underestimate". This doesn't belong here, it belongs in the discussion but the issue is adequately discussed in the discussion.

Typo p13. first line: add "be": ie "...editors need to be..."

p15 it is retrospective not retrospectively. 7 lines down.

Level of interest
Please indicate how interesting you found the manuscript:

An article of importance in its field

Quality of written English
Please indicate the quality of language in the manuscript:
