Reviewer’s report

Title: Development of research integrity in France is on the rise: the introduction of research integrity officers was a progress

Version: 1 Date: 25 Aug 2019

Reviewer: Sara R. Jordan

Reviewer's report:

Dear authors,

Thank you for your attention to the comments for revision in the first round. It made reviewing this revision much easier.

A few small points:

In your Methods section, you begin numbering the types of organizations (you say there are 4) but only number 1 and 2. Change this.

You have an odd note in this sentence: "During the period between 6th and 14th October 2018, and on 2nd May 2019 (updating)". Is (updating) a note to yourself that needs to be here?

Your note: This research has been accepted for poster presentation at the World Conference on Research Integrity (Hong Kong 1-5 June 2019). This event has passed. Does this note need to be there?

There are other little infelicities like this that need to be cleaned up.
